Find out about plans to construct a connector road on Route 311 (Berry Hill Road) from existing Route 58 at the Oak Ridge Farms (Route 1260) Interchange to the Southern Virginia Mega Site.

The hearing will be held as a **virtual/online** event. VDOT representatives will make a presentation beginning at 4 p.m. and be present to answer questions after the presentation is complete. The presentation will be available for reviewing throughout the comment period.

Review project information, including environmental documents on the project site or after the hearing at VDOT's Lynchburg District Office located at 4219 Campbell Avenue in the City of Lynchburg. Please contact Raina Rosado, P.E., Project Manager at (434) 856-8318. Please call ahead to ensure the availability of personnel to answer your questions.

In compliance with the National Historic Preservation Act, Section 106 and 36 CFR Pat 800, information concerning the potential effects of the proposed project on properties listed in or eligible for listing in the National Register for Historic Places will be provided in the project's environmental documentation.

Property impact information, relocation assistance policies and tentative construction schedules are available for your review at the above address and will be available at the public hearing.

Give your oral comments after the virtual presentation. Written comments from the public regarding the proposed project are requested and may be submitted on-line, or by email to Raina.Rosado@VDOT.Virginia.gov. Written comments may also be submitted to Raina Rosado, P.E., Project Manager, Virginia Department of Transportation, 4219 Campbell Avenue, Lynchburg, VA 24501. All comments must be received **on or before August 14, 2020** (10 days after the meeting). Please reference "Route 311, Connector Road Virtual Design Hearing Public Comments" in the subject line.
